IMPORTANT DATE FOR CLAIMING FULL-TIME JOB AT MEIJER

Part-time employees at Meijer who have averaged 36 hours or more per week for two consecutive quarters can claim their full-time job by contacting the Store Director in writing within 10 days from the end of the third quarter which is September 18, 2021. For hours to count toward claiming a full-time job, they must have been worked in one department, classification and in any single unit. Only hours actually worked along with hours paid for full vacation weeks, jury duty, bereavement leave, holidays and paid parental leave can be used to meet the 36-hour average requirement. Hours worked in replacement of an employee on Workers' Compensation, disability leave or other approved leave, or hours on the posted schedule that are worked in replacement of another employee cannot be used to claim a full-time job.

If you have met the 36-hour average requirement and management fails to award you a full-time job, contact your union steward or union representative at 1.800.999.0951 to file a grievance.
